

Remarks

As to the restriction requirement, Applicant elects Group II, original Claims 13, 14, 17, 19, and 20, to a method. All of the claims have now been amended to fall within the scope of Group II.

As to the Examiner's other comments, the term "package" does not appear in the amended claims. Also, the Examiner is correct in his observation that at least two cartons are required to make the hat; all of Applicant's claims now require at least two cartons.

Respectfully,
